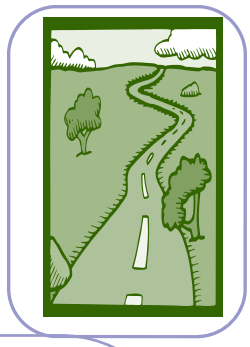
PRIDE OF MADISON

MADISON BEAUTIFICATION AND TREE BOARD



Adopt-A-Mile: Individuals and/or groups can help in the effort to keep Madison litter free by adopting a mile of roadway. After selecting a section from the availability list and submitting the required forms, an Adopt-A-Mile sign will be placed at each end of your designated mile in recognition of you/your group. We ask that participants schedule at least one work day per quarter. Please see registration form for a complete overview and waiver form.

Adopt-A-Park: Individuals and/or groups work in conjunction with the Parks and Recreation Department to assist with litter control, preservation of trees, and monitor area for needed repairs or vandalism issues. After selecting a park from the availability list and submitting the required forms, an Adopt-A-Park sign will be placed at the main entrance in recognition of you/your group. Please see registration form for a complete overview and waiver form.

Adopt-A-Bench: Uniquely designed Madison signature benches are being placed throughout the city and are available for adoption. For a donation of $1000, an engraved 2” x 4” plaque with a message of your choice will be permanently placed on the backrest before being installed at an agreed upon public location. The benches are a wonderful way to honor a loved one, celebrate a special occasion, or share a personal message. Each comes with a lifetime maintenance warranty.

Please note that Adopt-A-Mile and Adopt-A-Park will not be used in place of the City’s regular maintenance schedule. The program is designed to increase citizen awareness and pride in the community.
