- Guajana Distillery
- Town Madison!!!

Did you know....

- 80 new businesses have opened since Jan. 2015!
- Sales tax is the largest revenue source in the General Fund and finances the majority of City services.
- 58% of all households in the City of Madison have an income greater than \$75,000, with a city-wide average of \$107,330.

Understanding that many older sites may not meet current zoning requirements, the City offers design and development alternatives.

Planet Fitness (formerly Southern Family Market); Fresh Market & Marshall's (formerly Star Market) and Taco Bell on Madison Boulevard are examples of how coordinated efforts between the City and property owners increase Economic Growth, and improve the aesthetics of our east/west corridors.
