

What is the LipSync Contest?

The Madison Parks & Recreation LipSync Contest is a fun-filled event where people compete to be the best at pretending to sing along to their favorite songs. Those aspiring to be the next Milli Vanilli should come out and compete!

Due to a limited block of time at the event, the contestants will be chosen on a first-come, first-served basis. So, be sure to sign up as soon as possible!

Contest Rules

- There is no actual singing allowed in the LipSync Contest!
- You may sign up as a Solo Act or a Group Act – One performance per person
- Contestants must bring a phone (with required adaptors) or mp3 player with your music on it. The sound must be a minimum of 2 minutes with a 4 minutes max!
- If it's longer than that, we'll cut it off at the four-minute mark and the song just ends right there.
- To better assist with sound, it is required that you have someone operate your phone/mp3 player and they must stay with the sound crew right before and during your performance
- All songs and performances must be in good taste!! Appropriate attire/costume must be worn during entire performance.
- Each act is responsible for providing their own props
- **No burlesque or obscene gestures, so keep it clean!**
