

OFFICIAL CORNHOLE RULES FOR ACA TOURNAMENTS

These are the official Cornhole rules and regulations of the American Cornhole

Association (ACA). The Cornhole rules and regulations have been developed and ratified by a majority of ACA members for ACA-sanctioned tournament play. The Cornhole rules are not a mandate, but rather a guideline to promote consistent and standard Cornhole (also called Corn Hole and Bean Bag Toss) play, whether you're playing in a tournament or just for fun in your backyard.

COURT LAYOUT

Section A. Dimensions

A Cornhole court shall be a level rectangular area 10 ft wide and a minimum of 45 ft long. The court should consist of 2 Cornhole boards, designated pitchers boxes and foul lines. A north-south setting is recommended for outdoor courts to minimize the effects of the sun.

Section B. Pitcher's Box

The pitcher's box is the rectangle 4 ft by 3 ft at each end of the court, parallel and on both sides of Cornhole boards. Each contestant must remain in the pitcher's box while pitching the Cornhole bag.

Section C. Multiple Courts

To eliminate distraction and safely separate activity, Cornhole courts adjacent to each other shall be a minimum of 10 feet apart. A greater distance (at least 12 feet) is preferable.

Section D. Foul Lines

There are 2 sets of foul lines: (1) open adult play and (2) junior play. The open adult play foul lines shall be defined as an imaginary line 30 ft. from the beginning of the hole in the opposite Cornhole board. For Cornhole sets that meet ACA specifications, this foul line will be parallel to the front of the Cornhole board. The junior play foul lines shall be defined as an imaginary line 21 ft. from the beginning of the hole in the opposite Cornhole board. See the diagram below.

PITCHING DISTANCES

Section A. Adults

All open adult contestants shall pitch from the pitcher's box behind the 30 foot foul lines. Physically impaired adults or seniors may, if agreed by all contestants, observe the 21 foot foul lines.

CORNHOLE COURT PREPARATION AND MAINTENANCE

Section A. Court Maintenance

Every effort shall be made to keep the Cornhole play surface in perfect playing condition. Cornhole courts should be free of anything that might distract a contestant during play. Each contestant is responsible for making sure the court is in good playing condition prior to starting the match. During a match, a contestant shall not be allowed to alter the Cornhole court in any manner without the consent of the opponent or a tournament official.

Section B. Distractions During Play

Every effort shall be made to keep from distracting contestants during Cornhole play. Drinks and other personal belongings should be placed behind the Cornhole board in designated beverage holders or other secure locations to keep from distracting contestants.

PLAY OF THE GAME

Section A. Singles Or Doubles Play

Cornhole can be played as doubles or singles. In doubles play 2 contestants are partners against another team of 2 contestants; in singles play a contestant competes against another contestant. In doubles play, 1 member of each team pitches from 1 Cornhole board and the other members pitch from the other Cornhole board. In singles play, both contestants pitch from the same Cornhole board. All other Cornhole rules are basically the same for doubles or singles play.

Section B. Innings

Every Cornhole match is broken down into innings of play. During each inning of play each contestant must pitch all 4 Cornhole bags.

In doubles play, the top of an inning is completed when both contestants pitching from the first Cornhole board pitch all 4 Cornhole bags; the bottom of the inning is completed when the remaining contestants (pitching from the other Cornhole board) pitch all 4 bags. An inning is never completed until all contestants pitch all 4 bags.

Section C. Value Of The Cornhole Bag

1. Cornhole Bag In-The-Hole – A Cornhole bag in-the-hole (or Hole-In) is a bag which is thrown through the hole in the Cornhole board or otherwise comes to rest inside the Cornhole board (knocked in by another player or an act of God). A Cornhole bag in-the-hole has a value of 3 points.
2. Cornhole Bag In-The-Count – A Cornhole bag that is not in-the-hole but lands with any portion of the bag resting on the Cornhole board is in-the-count (sometimes called on-the-board). A bag in-the-count has a value of 1 point. For a bag to be in-the-count, it must not touch the ground or any other portion of the court prior to coming to rest on the Cornhole board. If a bag touches the ground before coming to rest on the Cornhole board, it is a foul and must be removed from the Cornhole board prior to the continuation of play.
3. Cornhole Bag Out-Of-The-Count – A Cornhole bag which comes to rest anywhere except in-the-count or in-the-hole is out-of-the-count and has no scoring value. A bag which is declared to be a foul is considered to be out-of-the-count (no matter where it comes to rest) and must be removed from the Cornhole surface prior to the continuation of play.

Section D. Delivery Of Cornhole Bags During Play

1. In doubles play, the first side of contestants alternate pitching Cornhole bags until they have thrown all 4 bags, then the remaining contestant (pitching from the other Cornhole board) continue to alternate in the same manner until all 4 bags are delivered and the inning completed. Delivery in singles play is handled in the same manner (but from the same board) with each of the 2 contestants alternating their pitching of Cornhole bags until all 4 bags have been pitched completing the inning.
2. A contestant may deliver the Cornhole bag from either the left or right pitchers box (see above) but, in any 1 inning, all bags must be delivered from the same pitcher's box. A contestant shall pitch the entire tournament with the same hand or arm, except in the case of a medical emergency.
3. Each individual contestant shall deliver the Cornhole bag within 20 seconds. The time shall start when the contestant steps onto the pitcher's box with the intention of pitching.

Section E. Pitching Rotation During The Game

The contestant who scored in the preceding inning shall pitch first in the next inning. If neither pitcher scores, the contestant who pitched second (last) in the preceding inning shall pitch first in the next inning.

Section F. Position Of Contestants During Delivery

1. The pitcher must maintain constant contact with the designated pitcher's box (See diagram above) during the entire address and release of the Cornhole bag. The only exception is for junior and physically challenged contestants, who must simply remain completely behind the 21 ft. foul line when the bag is released. The opponent, while not pitching, shall stand behind the Cornhole board at least 2 feet to the rear of the contestant who is pitching. After a short distance contestant (junior or physically

challenged) pitches first they must return to the Cornhole board if the opponent or any contestant on an adjacent court is a full distance pitcher.

2. If both contestants use the same pitchers box to deliver their Cornhole bags, the contestant pitching first should cross over to the other pitchers box in front of the Cornhole board and then move to the proper position. (see #1 above) As the first contestant is crossing in front the second contestant should be crossing over in back and mounting the pitchers box from the rear. If both contestants use opposite pitchers boxes, the contestant who pitches first should step directly back to the proper position described in #1 of this section.

Section G. Foul Cornhole Bags

A foul Cornhole bag is a bag which was delivered in non-compliance with one of the Cornhole rules of the game. It scores as a bag out of the count and is to be removed from the Cornhole court before any more bags are pitched. Cornhole bags already in the court that have been knocked into foul territory by a foul bag should be returned to the scoring area. Additionally, bags that are in the count, but are knocked into the hole by a foul bag must be returned to their original scoring position.

1. The following are rule violations that must be spotted and called by a contestant or assigned judge. The penalty is to declare the Cornhole bag a foul bag which requires the bags to be removed from the court prior to resuming play.

(a) Any Cornhole bag pitched when the contestant has made contact with or crossed over the foul line before the bag is released.

(b) Except as provided above, any Cornhole bag pitched when the contestant has started or stepped completely outside the pitching box before releasing the bag.

(c) Any Cornhole bag not delivered within the twenty second time limit.

(d) A Cornhole bag pitched from a different pitchers box than the first bag.

(e) Any Cornhole bag that contacted the court or the ground before coming to rest on the Cornhole board.

(f) Any Cornhole bag which struck a previously defined object such as a tree limb, wire, indoor court ceiling, etc.

(g) Any Cornhole bag that leaves a contestant's hand once the final forward swing of the delivery process has started shall count as a pitched bag. A bag that is accidentally dropped by a contestant before the final forward swing has started shall not be considered foul and may be picked up and pitched.

2. A contestant's Cornhole bags shall be called foul if the contestant removes any bag before the scoring of that bag has been agreed upon. A judge shall be called if a decision cannot be reached. The judge shall determine the scoring for the inning.

Section H. Protests – If a contestant desires to make a protest, the protest shall be made to the judge or tournament official at the time the problem occurs. The tournament judge shall make the final ruling on all protests.

LENGTH OF THE GAME

Section A. Point Limits

The Cornhole match shall be played until the first team of contestants reaches (or exceeds) 21 points at any time. You DO NOT have to complete an inning. The winning team does not need to win by 2 or more points.

Section B. The Inning DOES NOT have to be finished

The Cornhole match can end in the middle of an inning. Thus, if a team that pitches first reaches or exceeds 21 points, the game would be completed.

Section C. Ties At The End Of An Inning

If the Cornhole match is tied at 21 or more at the end of an inning, play continues until one team or the other achieves a higher score at the end of an inning and wins the match.

Section D. Skunks

The game shall be played to 21 unless a team scores 7 or more points at the end of an inning before their opponents score any points. In this case the game is a skunk and the team that scores 7 or more points wins the match.

SCORING

Section A. Simple Scoring

In simple scoring the points are totaled at the end of each $\frac{1}{2}$ inning and the smaller score is subtracted from the larger score and the difference in points is awarded to the team scoring the most points that $\frac{1}{2}$ inning. In this scoring method only one team can score per $\frac{1}{2}$ inning.

Recording The Score

In tournament play, the score sheet shall be the official record of the game and will be used to submit the Official Tournament Scoring Summaries to the ACA (see Rule 9 below). Contestants are encouraged to pay close attention to the score at all times. It is highly recommended that visible scoreboard (that all contestants can review and verify for accuracy) be used to keep score during tournament play. If a question or discrepancy occurs regarding the correct score, the contestant(s) may approach the scorer between innings to rectify the situation. If the discrepancy cannot be corrected to the satisfaction of both contestants, a tournament judge shall be called to make the final decision.
