# WHAT & HOW To Recycle

## Paper Products

### YES

- Newspapers & Inserts
- Magazines & Catalogs
- Junk Mail & Stationery
- Computer & Printer Paper
- School & Office Paper
- Paperback Books & Phone Books
- Paper Bags
- Cereal & Pasta Boxes
- Tissue Boxes & Beverage Cartons
- Cardboard (must fit in bin) smaller than 2' x 2' flattened

### NO

- Plastic Wrap
- Plastic Bags
- Film
- Styrofoam
- Pizza Boxes
- Bulk Cardboard or moving boxes

Place papers in your bin so they will not blow. On rainy days, save your newspapers for a sunnier day!

## Cans

Aluminum and steel cans including EMPTY aerosol cans are acceptable. Please rinse all cans. EMPTY aerosol cans that have contained household products such as shaving cream, hair spray or air freshener are acceptable. Please remove the lids before placing them in your recycling bin.  
**Not Acceptable:** Empty aerosol cans or cans that have contained poison or paint. Do not recycle scrap metal, paint cans, auto products, aluminum foil, or disposable aluminum pie plates.

## Plastic

Please recycle all narrow-neck bottles that have a #1 or #2 on the bottom, such as milk jugs, soft drink bottles, laundry products and shampoo. Rinse and remove lids and pumps. Containers may be crushed to conserve space.

**Not Acceptable:** Motor oil containers, poison containers, plastic wrap, plastic bags, wide-mouth plastic containers such as yogurt and margarine tubs.

## Household Dry-Cell Batteries

Place used batteries in a clear plastic bag beside your bin. Please recycle all household dry-cell batteries used in cameras, watches, toys, flashlights, smoke detectors, etc.  
**Not Acceptable:** Lead-acid batteries, such as those used in automobiles, motorcycles, lawn mowers or boats. Call 882-0155 for further information about these batteries.

## Used Motor Oil

Recycle engine oil from your vehicles and lawn mowers. Put used oil in a CLEAN, CLEAR PLASTIC container, such as a one-gallon milk jug or a soft drink bottle, and fasten the lid securely. Place the container beside your bin. We will empty it and return it to you for your next oil change.  
**Your oil must be in a CLEAR PLASTIC CONTAINER or it will not be picked up.** Do not recycle any oil that has been mixed with other things. Do not recycle antifreeze, transmission fluid or brake fluid. Call 882-0155 for further information about the disposal of other automotive fluids.
