#### ***County Line Road from Madison Boulevard to Northern City Limits***

Madison, AL – The City of Madison would like to inform residents that County Line Road from Madison Boulevard to the Northern City Limits is now an active construction zone. The speed limit within the construction zone has been reduced to 40 mph and will include doubled fines when workers are present.

This is a joint project between the City of Madison and the Alabama Department of Transportation. Construction is expected to last 18-24 months. At completion, this project will provide multi-use paths on each side of the roadway, and five 11 foot wide lanes with the center lane providing lane separation and left turn capabilities.

Please use caution in this area and observe all work zone signage and speed limits.

If you have any questions or comments, you may contact the City of Madison Engineering Department at 256-772-8431 or by email at [jenny.spain@madisonal.gov](mailto:jenny.spain@madisonal.gov)
